GWRRR OKLAHOMA CHAPTER G
2nd Edition

JUNE 2011

Chapter G's activities for the month of May. Our monthly gathering on the third had 32 show up. We had sixteen Chapter G members and sixteen guests. The \$110.00 50/50 was won by Bob Van Hensberger from Chapter E.

The dinner ride for May 6th was to the White River Fish market. We had 10 go and I must say the dinner was very good. Monday the 9th had 5 members go to the Chapter P gathering and again Cotton eyed Joes came through with some great ribs. The dinner ride for the 13th had two show up and they elected to stay in town and ate at the Monterey Mexican. No one showed for the May 20th dinner ride since several were camping at Mannford they ate at the Steer Inn. Chapter G had 2 members go to the Chapter J anniversary. I was out of town for the May 27th dinner ride and understand there was no show for the dinner ride. Our planning meeting on May 31 had 14 present.

From the Work Bench of Big Dave

It's riding season and the weather is starting to clear out. With all the bad weather we have been having this would be a good time to check our foul weather gear and see if it's in good condition. Also don't forget to check the weather at your final destination.

Don't forget that our gold wings have weather bands already programmed so you can monitor as you travel. Ride safe, Stay Dry and enjoy the open road.

Your Humble Rider Educator, *Big Dave*
